Based in Poland, Ulan Software House has been at the forefront of software development for over 18 years, partnering with clients across the globe through expert software development.

Combining startups' innovative spirit with the corporate world's structured expertise, we offer a unique blend of experiences in building digital products.

We're a team of startup insiders who truly understand the journey, having built 4 startups. We know the startup world inside-out, from that initial spark of an idea to product growth.

Our experience with large corporations has given us a well-rounded perspective across various business verticals and operations.
